Glimpse from the Gavel

Dear Friends,

Some great activities this past month: The Mt. Morris parade followed by dessert at Warren and Linda Dutton's. The ByronFest parade followed by the DessertFest" at Sharon and Wendell Anderson's. The Model T surprise tour organized by Wayne Henson, which, of course, included food! More food at breakfasts and dinners organized by John Hausen. Are we a food club also interested in cars?

Even though the season is about half over, we still have about 3 months of great model A weather with about 15 planned events ahead of us. This wouldn't be possible without all of you organizing and attending those events!

Thanks, Ron and Jim, Your Co-Presidents

Let's Join These Tours with the Rockford Chapter of Model T Ford Club International

Editor's Extras

Dear Members,

Sue Brunson has kindly volunteered to take over the newsletter beginning with some possible Fall issues - thank you so very much, Sue! Readers – you won't see too many changes in these August or September issues, just a somewhat abbreviated format as this transition takes place.

It's been a pleasure, but time to move on with other responsibilities. I will continue to be involved with this Club, so feel free to contact me if you have questions about [fashion!](#)

Drive safely,

Chris Aupperle, Editor

MEMBER'S CORNER:

NEW YORK PARKING REPORT

While traveling in New York City, Bill and Chris Aupperle observed how the city resolves the shortage of parking spaces.

1. Pledge of Allegiance.
2. Welcome members. 46 in attendance.
3. Thank you to Al and Karen Pedersen for the delicious cakes, cookies, and treats! We heard that Karen baked for 2 days and Al licked the bowls. Thank you to Kathy Forbes for making the coffee and setting up! Thank you to all the members who help set up and take down for our meetings!
4. Social Concerns: Mel Welch is coming home soon; Joe Conti is in cardiac rehab; Karen Kothe is battling cancer and thanks everyone for the cards, calls & prayers.
5. Treasurer's report – on this page of newsletter.
6. Jim & Sharon Morley, Bill & Chris Aupperle, Paul & Elaine Donley, Tony & Alice Whitney, and Tony Lynn Carlson and son went to the National MARC Meet in Branson, MO. They said it was awesome and no one went on the duck rides (thank goodness!). Paul & Elaine said the area was great for driving around and should win the "long driving award" because they took several side trips on their way to and home from Branson. Chris Aupperle had 92 in attendance for her fashion seminar and got high praise for her presentation from all! Tony & Alice Whitney won the Model A weathervane in the raffles.
7. Past events: 4th of July Parade in Mt. Morris and lunch after at Warren & Linda Dutton's home. Thank you so much for your hospitality!; ByronFest Parade and the ever-popular "Dessert Fest" following at Wendell & Sharon Anderson's home. Once again everyone had a great time! Thank you!
8. Wayne Henson spoke about the "Surprise" Tour with the Model T Club. There were 26 people in 13 antique and 2 modern cars. The group travelled around the back roads of northern Illinois, had lunch in Byron, and visited the Indian Hill Mansion on a 52-mile round trip from Auburn High School. Great day for those who attended!
9. Dick Werckle gave a \$50 donation to the club out of the proceeds from his parts sale at Model A Day in Sharon. Dick also gave some extra parts to Dave Clark.

13. Terry Clark is donating his repaired overdrive to the Ehrenhofer Swap Meet, proceeds to go to MAFFL. Thank you, Terry!
14. Kathy Forbes spoke about plans underway for the Fall Tour. She's planning a 1 or 2-day tour to Wisconsin and will pass along information as it becomes available.
15. Sue Brunson has graciously volunteered to take over as Editor of the club newsletter beginning with the October issue. Thank you, Sue, for assuming this responsibility. We're confident you will do a terrific job! Sue will be replacing Chris Aupperle, who has done a superb job for the last 10 years. Thank you, Chris, for your outstanding work!
16. Car repairs: John Hausen's radiator was full of walnuts (maybe that caused the overheating?); Warren Dutton talked about muriatic acid to clean out his radiator and motor and how well it worked.
17. Winner of the attendance drawing "Official" Branson Judge's Cap was Bill Cummings.
18. Officer and Board of Directors election will be at the Banquet on November 11. Anyone interested in running for an office or the board should contact either Jim Morley or Ron Lanquist to be put on the ballot.

MAFFI Newsletter Minute

As you can imagine, by now, arrangements are set for this year's Model A Day at The Gilmore (Saturday, September 15th). This year we are pleased to announce six Model A seminars as part of the events planned. Much work has been involved in preparing material from our fellow Model A hobbyists. Three of the seminars are focused on more technical aspects, including Model A Glass, Model A Wood and Model A Front End Alignment. We also have seminars that address other areas of interest including Shopping Online for Era Fashions, Preparing Your Model A for Touring and tips and ideas regarding Buying and Selling a Model A.

Model A Day at our Model A Ford Museum at The Gilmore offers many opportunities to see a variety of unique and award winning Model A's and to learn more about the Model A through interaction with other hobbyists and through planned and organized seminars. We hope you will join by attending Model A Day on the Gilmore Museum grounds located in Hickory Corners, Michigan.

Sincerely,

John Begg, President

2019 MAFCA National Tour

Canyonlands
of
Southern Utah & Northern Arizona
October 7-11, 2019

This will be a hub and spoke tour of the Redrock Canyonlands of Southern Utah and Northern Arizona. The tour will be based out of Kanab, Utah and travel through national parks and monuments of the area. The Canyonlands is home to miles of river canyons, mesas, buttes, slot canyons and brilliant red rock faces and peaks. We will tour through Bryce Canyon, which sits at the northernmost part of the Grand Staircase and stretches to the north rim of the Grand Canyon, Bryce Canyon, Zion National Park, and the Grand Staircase-Escalante National Monument. Registration materials will be available in "The Restorer" and on the MAFCA website in early 2019.

Model A Day September 14-15, 2018

It will probably never happen again! Five Model A Ford Town Car/Town Car Deliveries all located together at one place at the same time. Model A Ford lovers will be able to see the cars on display in the Model A Museum over the Model A Day weekend of September 14-15, 2018. The collection includes the following models:

- 1928 Town Car which is the only one known to exist (prototype)
- 1929 Town Car which is one of 18
- 1930 Town Car which is one of two known to exist
- 1930 Town Car Delivery which is the only one known to exist
- 1931 Town Car Delivery which is one of six known to exist

The cars are all owned by Tim Kelly who has been collecting and restoring them for many years. They have not been shown before due to the recent restoration of two of the cars and might not be shown together for while or ever publicly. That is why this is a once in a lifetime opportunity.

Space will be cleared in the museum for the cars to be shown together, so they can be seen and photo-graphed individually and as a group. The cars bridge the four years of Model A production from 1928 to 1931. Plans are underway to make this year's Model A Day one of the best yet!

Also on display will be:

- Model A #1 (Edison's car)
- Model A Taxi
- Model A Postal Vehicle
- Model A Fire Engine
- Two Model A Convertible Sedans (A400)
- Rare 1931 wide-bed Roadster Pickup
- Right hand drive De Luxe Phaeton

We plan, as one of the seminars, to have a presentation on the Edstrom collection, Tim Kelly's Town Cars and Don Bevin's Model A. We are in the process of up fitting a 1930 AA Stake Bed Truck to allow for visitor rides. This unique and free opportunity to ride in the back of a AA will be available for Model A Day. And don't forget the swap meet!

So mark September 14-15 on your calendars now for this Once In A Lifetime Experience.

Ron and I with our exercise friends Craig Carlson (in wheelchair) and his son Lucas. We visited the Wings and Wheels Museum in Poplar grove followed by lunch at Bravos Pizza. They rode in Ron and my car. Lucas was able to drive Ron's Mustang, but couldn't fit behind the wheel of the Model A. Lucas is a student at Guilford High School and has an interest in cars and airplanes. He hopes to pursue a career as an engineer with military type aircraft. ~ Jim Morley

MEMBER'S CORNER: MODEL A RIDE FOR WEDDING ANNIVERSARY

Dave Clark drove this couple from their home in Poplar Grove to Rockton, IL on Saturday, July 28 in his 2 door sedan for their surprise wedding anniversary party. The family made "mom and dad" dress up in 1920's style clothing as the party theme was Roaring Twenties. Mr. Clark showed up in period correct clothing to fit the part.

Contributed by Mark McClenathan

Mr. Clark answered the call for a car and driver last minute during the Saturday morning A breakfast, at the request of Mark McClenathan (whose 28 is still down). **THANK YOU Mr. Clark!** Reports from the family are that you made their night! And on top of that, they knew Mr. Clark as he grew up in Poplar Grove and went to the same high school as the gentleman. (I wanted to hear the stories of a young Mr. Clark.)

PAST EVENTS: A THANK YOU FROM CHRIS WEBER

I just want to say thank you to all that went to the Cars Time Forgot Show. Mike Strand, Ron and Mary Kramer, Ann Laviolette, and Dave and Pauline Clark. Although we all didn't park together, we put up a canopy by the lake and had a great time. We had good weather and over 1300 cars to look at. Thanks, Chris Weber

PAST EVENTS: BYRONFEST PARADE

Another Parade, another warm day, but not as warm as the welcoming friendship at Wendell and Sharon Anderson's home following the Parade. 12 Model A's lined up for a 2:00 pm step off. Being 15th in the line up, we joined the parade promptly and proceeded without any stops. No overheats that I know of, or that anyone admitted to. We then traveled as a group to Wendell and Sharon's for a desert fest. There was ice cream, pies, brownies, cookies, turnovers, assorted fruit mixtures and other treats. Everyone brought something. What a GREAT time! A big THANKYOU to Wendell and Sharon. We all left with full tummies, and a sugar high. Folks, if you're not attending these events, you're missing out on a GREAT time, with lots of FUN.

Keep on Motoring, Jim & Ron
