## Glimpse from the Gavel

*I can't believe it! Here I am writing the SEPTEMBER Glimpse. It just seems like yesterday that we were enjoying the March Soup lunch. Since then we had a successful Model A Day in Sharon, a tour to Peoria organized by Wendell & Sharon Anderson and Dave & Sara Werckle, 2 picnics, 4 parades, 5 well attended meetings, several Saturday breakfasts and monthly dinners, organized by John and Sue Hausen.*

*We now look forward to 2 more parades plus Kathy Forbes is organizing a fall overnight tour to Baraboo and New Glarus. The Fall Banquet is our last event for this season.*

*It is also the end of the terms of your current leadership. Yes, the two year terms have expired. Wow, did the time go fast! At the next two monthly meetings we will be accepting nominations for all positions: President, Vice President, Secretary, Treasurer and Board of Directors. The Co-President idea Jim and I followed worked well for both of us and hopefully for the membership. This possibly can be continued by sharing ideas and responsibilities. Talk to your fellow members, both men and women, about running for office and then nominate them. Consider accepting a position yourself. This is your Club... Let's keep it alive!*

Keep on Motoring,

*Jim and Ron, your Co-Presidents*

The Model A Era was a significant time period for fashion transition. Each year of 1928, 1929, 1930 and 1931 brought noticeable changes in hem length and waistlines. For a really interesting read, see <https://witness2fashion.wordpress.com/category/1920s-1930s/>

## MAFFI Newsletter Minute

ALL Aboard!

When you next visit our museum, on The Gilmore grounds, you may have the unique opportunity to take a ride in a 1930 AA stake bed truck. Through a generous donation made to MAFFI last year, we have a beautifully restored AA truck which has been fitted with an entry stairway and bench seats for visitor rides.

The idea to use the truck for visitor rides was discussed with the MAFFI trustees and Chris Shires, Executive Director at The Gilmore. It was agreed that the AA stake bed truck was ideal for offering visitor rides and provided another way for visitors to have fun and learn about the museum's cars and trucks. Finding a way to safely enter the truck and to provide seating took some work, but, through the efforts of Larry Wallace and Rob Mills (MAFFI trustees) and Innovative Access Solutions in Leitchfield, Kentucky, a design was developed. The powder coated aluminum components were shipped to Rob Mills' farm where he completed the installation onto the truck bed and tailgate and delivered the truck to the museum. Randy Czubko, also a MAFFI trustee, developed magnetic signs which will help promote both the hobby and the museums. The signs will be installed on the truck doors when completed. The truck is on loan to The Gilmore so that rides can be given year round.

Marsha Quesnel, MAFFI Trustee

## Model A Day September 14-15, 2018

**It will probably never happen again! Five Model A Ford Town Car/Town Car Deliveries all located together at one place at the same time. Model A Ford lovers will be able to see the cars on display in the Model A Museum over the Model A Day weekend of September 14-15, 2018. The collection includes the following models:**

- 1928 Town Car which is the only one known to exist (prototype)
- 1929 Town Car which is one of 18
- 1930 Town Car which is one of two known to exist
- 1930 Town Car Delivery which is the only one known to exist
- 1931 Town Car Delivery which is one of six known to exist

**The cars are all owned by Tim Kelly who has been collecting and restoring them for many years. They have not been shown before due to the recent restoration of two of the cars and might not be shown together for while or ever publicly. That is why this is a once in a lifetime opportunity.**

**Space will be cleared in the museum for the cars to be shown together, so they can be seen and photo-graphed individually and as a group. The cars bridge the four years of Model A production from 1928 to 1931. Plans are underway to make this year's Model A Day one of the best yet!**

**Also on display will be:**

- Model A #1 (Edison's car)
- Model A Taxi
- Model A Postal Vehicle
- Model A Fire Engine
- Two Model A Convertible Sedans (A400)
- Rare 1931 wide-bed Roadster Pickup
- Right hand drive De Luxe Phaeton

**We plan, as one of the seminars, to have a presentation on the Edstrom collection, Tim Kelly's Town Cars and Don Bevin's Model A. We are in the process of up fitting a 1930 AA Stake Bed Truck to allow for visitor rides. This unique and free opportunity to ride in the back of a AA will be available for Model A Day. And don't forget the swap meet!**

**So mark September 14-15 on your calendars now for this Once In A Lifetime Experience.**

**PAST EVENTS: MODEL A DAY IN AMANA, IOWA**

Just some info on our attendance at the Amana show. We had 12 Model A's counting Larry Ethuns great nephew from Cedar Rapids. Plus 3 modern cars. We had a 29 members plus 5 friends. No roadside breakdowns and only 2 minor repairs on problems noticed at the show. If everyone drove 415 miles that's 4500 miles with no roadside issues. Wow that's great!!
